

Tropentag 2019

The childcare concept (Studierendenwerk)

Care times

Within the scope of the Tropentag conference, we want to offer all participants space for a professional and intensive exchange. To make this possible, we offer childcare to all parents.

They can book childcare hours on the following days according to their needs:

- **Monday to Saturday**

Supply

If indicated on the registration form, we will take the children to our **central canteen for lunch**. Please note that we charge a lump sum of **3€**, which you pay to the care staff on the day of care for the respective day. If you do not make use of this offer, you should state this on the registration form and arrange with the carers at what time you will pick up your child(s) for lunch and when the care is to be continued or when the care ends.

In addition, we ask you to provide a **drinking bottle** and **snacks** (fruit, vegetables, fruit slices, bread...).

Should your child receive **bottle or glass food**, you should make arrangements with the caretakers so that the child's needs can be met.

A common breakfast together is not planned, but individual arrangements are possible.

In addition, we would ask you to **report food allergies**.

Care rooms

The supervision takes place in the parent-child room of the Campus Centre on the Holländischer Platz, i.e. in the immediate vicinity of the various lectures, workshops and symposia of Tropentag 2019.

The room is fully equipped, i.e. sufficient play, building and handicraft material is provided. There is also a changing table in a separate room and a cot in case of emergency. To ensure that the child's needs are met here as well, you should consult with the caretakers and put together a changing set with diapers, wet wipes and other items. In case of need we are of course equipped, i.e. diaper replacement, handkerchiefs and wet wipes are provided.

Support staff

Supervision is provided by trained student assistants with pedagogical training.

Registration and questions

If you would like to take advantage of the childcare offer, please send an e-mail to Martin Wiehle tropenzentrum@uni-kassel.de by 13 September 2019.

If you have any questions, please do not hesitate to contact us at the same e-mail address or telephone 05542 98 1372
